

In Grateful Appreciation to  
Czech Red Cross

November 2011

We would like to express our most sincere appreciation to you for extending generous and timely assistance to the survivors of the Great East Japan Earthquake.

Your much-needed support is a source of huge strength to us as we address a challenging future centered on the diligent and effective implementation of our relief and recovery programmes.

A handwritten signature in black ink, appearing to read 'T. Konoé', is written over the printed name.
